

☒ IV. The invention was not made
 (conceived or first actually reduced to
 practice) under nor is there any
 relationship of the invention to the
 performance of any work under any
 contract of the National Aeronautics and
 Space Administration.

The undersigned inventors declare further that all statements made herein
 of their own knowledge are true and that all statements made on information and
 belief are believed to be true and further that these statements are made with the
 knowledge that willful false statements and the like so made are punishable by fine
 or imprisonment, or both, under Section 1001 of Title 18 of the United States Code
 and that such willful false statements may jeopardize the validity of the application
 or any patent issuing thereon.
